Dedication

We, the Annual Staff, wish to dedicate the 1961 REBEL to COACH ROGER PASCHAL. This dedication is accompanied by our respect, admiration, and gratitude to one who so unselfishly has given of his time and talents so that others might better themselves. Not only has he gained respect through coaching, he has also achieved success as an excellent teacher.

It is our hope that we, through this dedication, have expressed our sincere thanks to a devoted teacher and understanding friend.

Friendly, frightening—yet always there. Yes, you are all these things. Friendly? Your doors are never shut; and, not once have your old walls had the much needed rest which accompanies a moment of utter silence. Frightening? Within your grasp you hold our

future, what we will be and what we will do.

As years roll by and we, like you, are old and worn, your certain specialness will hold you in our hearts.

So, here's to you-old P. H. S.

The rush is over The work is done, It had us worried But it was fun.

Took lots of planning And lots of time, For pictures and features We racked our mind. Books were not studied Work came in masses, Because of the neglect We gave to our classes.

Now the work is all over We've time to relax, Don't call on us, friends We've had it! That's facts!!
